

The global property market presents many diverse challenges. We offer a multitude of coordinated solutions.*

Our international network of real estate and financial professionals will help you map out a clear, forward-looking plan for achieving your global property goals.

Through professional teams in more than 60 countries around the world, we offer in-depth experience in a broad array of financial accounting, auditing and reporting issues, global tax solutions, investment fund structuring, CMBS securitization assistance, asset due diligence and transaction support, valuation management, and more.

To learn more about the full scope of our services and global practice, or to subscribe to one of our industry-leading publications: Global Real Estate Now, the PricewaterhouseCoopers' Korpacz Real Estate Investor Survey®, Emerging Trends in Real Estate®, Emerging Trends in Real Estate® Europe, and Emerging Trends in Real Estate® Asia Pacific, go to:
